

English

Write about the Inventing Room in *Charlie and the Chocolate Factory*. Use lots of description

Make an advert to sell your new DT invention to us all.

Geography

Find out about the places where cacao is harvested. Make a map and make a fact file about this area of the world. Think about the climate, the continent and if it is near to the Equator.

Maths

Check the temperature where you live each day and make a graph to show the temperature. Make a graph to show the temperature each day in South America or Africa.

Year 2 Fantastic Firsts

DT

Design a new car, a new radio, a new TV or a new Computer. Make one! What does it look like? What interesting things can it do?

Science

Find out all about habitats in parts of South America or Africa.

1. Which animals live there. Write about some of these animals.
2. Make some food chains or a food web using the animals and plants that live there.
3. Write some interesting facts about habitats in this area of the world.

Key Vocabulary

Create a glossary of words that you have used across all of the different learning tasks. A glossary is a list of words in alphabetical order with definitions.

Computing

Make your projects on Microsoft Word, Publisher or even PowerPoint and add it to Class Dojo!

History

Find out about:

The first car
The first computer
The first TV
The first radio
The first chocolate bar
The first women's vote

How have they changed over the years.

Make a project about one of them or all of them!
