

The victory of Piper.

By LG in Class 4

In the windy jungle there were tall trees and Parrots flying around and a bright red sunset that was beautiful in the windy jungle a dark deep dangerous hole where I did not go through. The trees were rustling and the mountain with white snow. And I could hear the tigers roaring loud and louder. It is cold and it was drizzling. I heard howling of a pack of wolves coming from a distance on top of the Crystal Mountain.

In the jungle lived a fox called Piper, she has big blue eyes and turquoise fur with diamonds on what shine in the sunlight, she has special powers with her wings that make her fly faster than the speed of light and very long sharp claws , she also has a high pitched howl that can freeze other animals.

Piper has a enemy who is called Fierce Storm and he is a wolf who always tries to beat Piper and take over the mountain. Fierce Storm was captured a long time ago on a dark night and taken to a laboratory. He was once a fox but he got trapped by a stranger and taken to a lab where they experimented on him and put armour on him and gave him powers of fire. He wanted to take the heart of the mountain because if he takes it the town of fox land will get destroyed.

Piper woke up with a strange feeling in her heart but when she has a strange feeling that only means one thing DARK DARK danger. Piper saw Fierce Storm outside but she saw him going to the Crystal mountain to steal the crystal. She flew over to Fierce Strom to battle him but he said bye bye and he went and he had the crystal and he went back to the basement. She had to find him to get the crystal back before the village was destroyed.

Piper used her powerful wings and flew to the entrance of his basement, there was a lock but she got out her sharp claws and opened the lock. "Yes I'm in" she said. She could see light coming from the crystal. When she was just about to howl she heard him say, "wait I'm so sorry I just wanted to be your friend again and look at the"
"look at the what" said Piper,
"the cubs" said Fierce Strom,
"Wow" said Piper
"can you carry one?" said Fierce Storm,
"ok" said Piper
"are you my friend now" said Fierce Storm,
"yes" said Piper.

The end.
