To access the Enter Arts Academy, follow the steps below:

Step 1: Go to <https://www.entereducation.co.uk/pages/4-together-signup> to sign up to the site. The page should look like the next image:

A screenshot of the Enter Arts Academy sign-up form. The form is set against a purple background. On the left, there are four input fields labeled "First name *", "Last name *", "E-mail *", and "Address *", each with a white input box. Below these fields is a "Submit" button. On the right, the heading "4 Together Area Action Partnership" is displayed. Below the heading, there is a paragraph of text explaining the AAP-funded initiative and the requirement for a parent or legal guardian. Below this is another paragraph about consent to Enter CIC. At the bottom right, there is a logo for "Altogether better Durham" and the text "4 Together Partnership". A "SIGN IN" button is visible in the top right corner of the page.

What happens next?

The form you submit sends us an email and we will begin to set up your account (which shouldn't take long).

You will know when your account is set up because you'll receive an email from the Enter Arts Academy asking you to create a password.

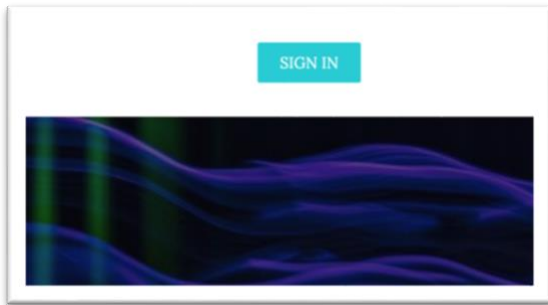

You can then access all the resources **FREE**.

If you are under 18, please get a parent or carer/guardian over the age of 18 to sign up on your behalf. Thank you.

How easy is it to access the FREE content?

After your account is set up, you go to www.entereducation.co.uk and click the 'Sign In' button at the top of the screen and then sign into the login form that pops up. Yes, it's *really* that easy!
