

# The Three Little Pigs Story Map

Cut out the pictures and stick them into the boxes along the path. Can you retell the 'Three Little Pigs' story?

The path starts at a pig's house on the left. It then winds through several scenes: a pig walking, a man carrying a large bundle of hay on his back, an empty box, a man carrying bundles of wood on a shoulder pole, a pig walking, a man in a grey coat and hat holding a hammer, a grey wolf walking, an empty box, a pig walking, and finally two pigs walking together. There are ten empty boxes along the path for students to place cut-out pictures and retell the story.
