author masterclasses and other activities over the next few weeks. All sections are detailed and explain what you need to include.

**Complete myON Task 6 – All Purpose Task: Sports Research**

Use further books, or the internet, to research your sport in more detail (e.g. about the sport, history, famous players, Olympic winners). You are going to write a non-chronological report in the next task, so think carefully about the information you gather.

**Complete myON Task 7 – Writing Task: Sports Non-Chronological Report**

Write a non-chronological report about your chosen sport. I have uploaded an example report on the class blog (attached as: 'Non-Chronological Report Example'). If you would like to include any pictures, diagrams or charts, you could complete this task in a Microsoft Word document and send it over Class Dojo.

**NRICH Task – Chocolate**

Find the task attached on the class blog (Chocolate – Friday Task).

Look at the range of French tasks, and choose 1 or 2 to complete. We will be using this over the next couple of weeks.

This is attached on the school blog as: 'The Great French Language Challenge'.

Once you have completed your task, you can send it across on Class Dojo to share with your teacher.
