

Daily Planner for Remote Learning **Year 2** 1.2.21

We have provided suggestions for each subject providing an online and paper-based option. It is important that we know that every child can access this learning, and no-one is disadvantaged by not having access to materials/resources etc. We will review our timetable following feedback from parents or if children need to be away from school for longer.

	Lesson / Activity	Online	Paper-based
