

Horrid Henry's Worst School Nightmare

By CF in Class 4

Horrid Henry gets on the school bus and gets his rock legend guitar out. He starts playing the guitar horrifically loud on the bus. Horrid Henry looks out of the school bus window and sees a bright orange and yellow sunrise, with the tall brown trees in the distant. Suddenly, the bus stopped, it had arrived at the school. Henry sees all of his friends in the purple hand gang giving them each a fist pump. The very loud school bell rang, it was time to go into class. They all arrive at the class room, when they hear, "Sit down now!" it was the evil villain from behind the massive door, MISS BATLAX.

The Purple Hand gang were all scared. Horrid Henry wasn't scared, he laughed viciously and threw a stink bomb at Miss Batlax. Horrid Henry is the leader of the Purple Hand gang, but not everyone likes him. "HENRY, go to the Head Teacher's office now!" shouted Miss Batlax. Henry and Ralph ran out of the class, taking their rock legend guitars with them. Henry and Ralph played their guitars all the way along the corridor to the Head Teachers office. "In here now, Henry and Ralph!" exclaimed Miss Bailey.

"Detention now and sit apart from each other," said Miss Bailey.

"Henry, give me your guitar," raged Miss Bailey.

"School is open for you in the school Holidays, with Miss Batlax!" shouted Miss Bailey.

Horrid Henry is mad because he has to go to school in the school holidays. He ran out of the headteachers room at super sonic speed. Miss Bailey stomped down the corridor and chased Horrid Henry back into the class room. Then Ralph ran down to Henry with Henry's guitar, "Thanks!" said Henry.

"Its ok " answered Ralph.

Miss Batlax said "Everyone open your maths books." Henry doesn't like maths so he asked Ralph for his pea gun and then he shot his peas at Miss Batlax. Miss Batlax was distracted with the peas to much so Henry got his stink bombs and threw his stink bomb at the whole class. "GO TO MISS BAILEY'S OFFICE NOW!" demanded Miss Batlax. Will Henry go back to Miss Bailey's office?

Henry doesn't want to go back to see Miss Bailey because he knows he will get detention. Henry walks out of the door and outside. He gets his pea gun and shoots his peas at every classes window. Miss Bailey chases Henry back into class but he doesn't go into class, he runs back outside and skids on the grass. Then she asked the fastest kid in the school to go and catch Horrid Henry on the grass and bring him

down to her office. Moody Margaret takes Henry to the head teachers office, when Henry hears, "Get up Henry its time for school."

All of a sudden Henry wakes up and realises that all of that was just a dream. Henry gets ready and goes down stairs and tells his Mam, "I'm going to be good at school today ."

Surprisingly his mam and dad shakes their head and says "Good boy Henry." He quickly eats his breakfast and then gets on the school bus and goes to school. When Henry gets to school and smiles at all of the teachers, they were all shocked.
