Try to send a picture in or record what you have been doing, and send it to Miss Gregg on Class Dojo.</p> <p>Attached on the class blog. (STEM Activities 2)</p>  <p>Starters for STEM are 10 activities that parents can use at home to help children develop their science, technology, engineering and maths skills. These activities are easy to resource and provide children with the stimulus to talk about the world around them. If you see a link you can explore how to extend these activities, you will need to sign up, for free, to access these materials. Don't forget to share your work on social media.</p> <p>#ScienceFromHome</p>	<p>Joe Wicks 9am PE Sessions: https://www.youtube.com/channel/UCAXW1XT0iEJo0TYIRfn6rYQ</p> <p>Kids Yoga: https://www.youtube.com/user/CosmickidsYoga</p>

other activities over the next few weeks.
 All sections are detailed and explain what you need to include.

Complete myON Task 6 – All Purpose Task: Sports Research

Use further books, or the internet, to research your sport in more detail (e.g. about the sport, history, famous players, Olympic winners). You are going to write a non-chronological report in the next task, so think carefully about the information you gather.

Complete myON Task 7 – Writing Task: Sports Non-Chronological Report

Write a non-chronological report about your chosen sport. I have uploaded an example report on the class blog (attached as: 'Non-Chronological Report Example'). If you would like to include any pictures, diagrams or charts, you could complete this task in a Microsoft Word document and send it over Class Dojo.

NRICH Task – Chocolate

Find the task attached on the class blog (Chocolate – Friday Task).

This is attached on the school blog as: 'The Great French Language Challenge'.

Once you have completed your task, you can send it across on Class Dojo to share with your teacher.
