Reception

PSED		
2022-2023	Key Vocabulary	Skills/Knowledge/Activities
<p>The Reception classroom is set up with resources and enhancements that are available to all. These resources aim to inspire and encourage learning in new ways.</p> <p>Independence is encouraged all day and children are always encouraged to do things for themselves before given support. Children in Reception are able to choose their own resources which enables them to build confidence and independence.</p> <p>There are clear rules and boundaries within the Reception classroom. These are shared with children who enjoy reminding each other throughout the day. They are aware they are responsible for caring for our Reception environment.</p> <p>We emphasise to children that we are a team in Early Years and we encourage that children work together, listen to others and include friends into their play.</p> <p>Our Reception time table provides opportunities for children to play with others in different environments. There are also opportunities where they are asked to listen to others, share ideas and work as a group.</p> <p>Within Reception we deliver part of the RSE curriculum which focuses on the topics:</p> <ul style="list-style-type: none"> • Myself and Others • Family Networks • Body Awareness • Hygiene 	<p>Sad, happy, angry, worried, confused, thoughtful, helpful, caring, kind, friends, playing sharing, mad, cross, bully, exercise, wash, brush teeth, toothbrush, tooth paste, brush hair, wash, like/dislike, good bad, right, wrong, friends,</p>	<p>Links to Development Matters:</p> <ul style="list-style-type: none"> • See themselves as a valuable individual. • Build constructive and respectful relationships. • Express their feelings and consider the feelings of others. • Show resilience and perseverance in the face of challenge. • Identify and moderate their own feelings socially and emotionally. • Think about the perspectives of others. • Manage their own needs. - Personal hygiene • Know and talk about the different factors that support their overall health and wellbeing: <ul style="list-style-type: none"> - regular physical activity - healthy eating - toothbrushing - sensible amounts of 'screen time' - having a good sleep routine - being a safe pedestrian
